The **Media Management Major** focuses on the business aspects of the media industry. It emphasizes the importance of analytical skills to prepare students for entering a constantly changing industry. Media Management students can gain professional knowledge and experience through campus media (e.g., WVUM, UMTV, Distraction, The Miami Hurricane), internship programs, or our Media Management Association (MMA). MMA speakers have included TV sales managers, programming executives, and media entrepreneurs. In addition, MMA sponsors an annual awards competition for outstanding undergraduate works in media management. Students also have the opportunity to participate in the School’s Semester in Los Angeles program.
