

Graduate Motion Pictures Application
Supplemental Information

On the application form, please indicate whether you will be pursuing an **M.A.** in **FILM STUDIES** or an **M.F.A.** If you are applying to the M.F.A. program, please indicate whether your interest lies in **PRODUCTION, SCREENWRITING, or PRODUCING**. If your interest lies in the **PRODUCTION** track, please further define your area of interest to be in *directing, cinematography, editing, or animation*.

In completing your application for the M.A. in Film Studies, please include a 2 page critical analysis of a film you have recently seen, in addition to a 500 word statement of goals.

In completing your application for the M.F.A. program, please include the following: a 1-2 page statement on your favorite film and your response to it; a 3-4 page idea for a film you would like to make or write; and a 500 word statement of goals.

Unless otherwise able to demonstrate to the Program Director, prior 16mm motion picture production experience, or unless electing to apply for the Production track, all M.F.A. Production students, (not Producing), will be required to take the Summer Motion Picture Production Institute prior to commencing the M.F.A. program.

Unless otherwise able to demonstrate to the Program Director prior scriptwriting experience, all M.F.A. Screenwriting students will be required to take Introduction to Scriptwriting (CMP 126) and Intermediate Scriptwriting (CMP 326) prior to commencing the M.F.A. program.
